TIKTOK PROJECT: TEACHER DIRECTIONS

- 1 THANKS:** Thank you for downloading this exciting TikTok project activity. I hope you will find great use for this resource and that it would add value to your classroom.
- 2 FORMAT:** For your benefit, I have included print versions and GOOGLE Drive format. For the print version, just print the included PDFs and go! For the [Google Drive Version](#), access by clicking the links on the next page!
- 3 IDEAS FOR USE:** TikTok is certainly an entertaining and engaging app. With this guided activity, you'll be able to capture that TikTok excitement while incorporating educational value. Here are some suggestions to consider as you begin. You will not need a TikTok account but can certainly sign up for a free account. This can also be used for any video making project apart from TikTok!

TIKTOK PROJECT: STUDENT DIRECTIONS

- 1 DECIDING:** Decide what your TikTok video is going to be about and determine a title for your video.
- 2 WRITING:** Complete the assigned graphic organizer by filling out the provided boxes. This is the written portion of your project.
- 3 DIRECTING:** Now that you know the facts and details for your video, follow the written assignment to help you determine an educational way to present the facts in a creative TikTok video.
 - What roles will our group members take? (characters, filming, script, etc.)
 - What TikTok trends can we use to help us present our facts? (see what is trending)
