# PRESIDENTS MEGA PACK

- 1 THANKS:** Hi I'm Mister Harms! It's great to meet you! Thank you for downloading this resource. I hope that it will add value to your classroom. As a big thank you for your support, I'd like give you a **free gift!** **Please click here to access your freebie!** For more quality resources, follow @MisterHarms on TpT, Instagram, Twitter, & Facebook. You can also visit the **Mister Harms TpT store** or **misterharms.com!**
- 2 INFORMATION:** Thank you for downloading the **Presidents Resources Mega Pack**. I know you will find great value in these resources. There are definitely more resources than you need here, but use all that you can! This pack is great for Presidents Day, Civics, Government, U.S. History, fun days, fillers, sub-days, centers, etc. All activities and worksheets are self-explanatory, and the necessary answer keys are included.
- 3 IDEAS:** Each year I require my students to know all the names of the Presidents in the correct order. Many of the included resources are used to help facilitate that requirement. One classroom activity I like to do is the "Presidents Toss!" I toss a ball to a student and they must say "George Washington." Once said, that student tosses the ball to another student and states the next President. If Johnny student gets the President right, he tosses the ball to another student and stays in the game. If he does not know the name, he sits down. This game continues until all the presidents are said or no one is standing. Once the students get better, I keep the time so they can try to beat their own score or my other classes.
- 4 EXTRAS:** Listen to my version of **"THE PRESIDENTS SONG"** as a great way to help your students study! Search on Apple Music, Spotify, Amazon, or Google Play. Or, just ask Alexa and Siri to "play The Presidents song by Mister Harms!"  
  
You can even watch the viral Presidents Song Video on **YouTube**. Be careful though, it's catchy! Click here for even more **President/Executive lessons** to use in your classroom. Also, check out my **50 States and Capitals Mega Pack** to help your student know their states and capitals.

I hope you and your students find this resource to be beneficial for academic and personal growth. Keep up the great work teaching our future leaders! For more quality, learning resources to use in your classroom, visit the [Mister Harms TpT store](#) or [Mister Harms Blog!](#)
